

Seton Health Services Foundation

May 2007

Dear Friends,

The Saint Elizabeth Ann Seton New Life Center has been open since 2003. In November 2006 we celebrated the arrival of the 1000th baby born through the New Life Center.

The Center was established to serve the needs of low-income expectant mothers in our community. The support of friends like you will help us carry out our mission of service to the poor.

All the services at the Center are provided to the uninsured or low-income women by a highly professional staff in a loving compassionate manner.

These services include: obstetrical medical exams, child birth educational classes, parenting education, nutritional and health educational sessions and most importantly, the delivery of the baby by well-qualified obstetricians of Seton Medical Center.

We encourage you to make a gift this year in support of the New Life Center. Your contribution of \$200 or more will help ensure the New Life Center continues to be a life-giving resource for women in our community and their newborn babies.

The proud parents of New Life Center Baby #1000, Braulio Santiago Sifuentes, are Rosa Gonzalez and Fidel Sifuentes

- **\$1,500 will purchase 15 baby car seats**
- **\$1,000 will purchase 65 baby blankets**
- **\$500 will purchase 10 baby high chairs**
- **\$200 will purchase 5 cases of diapers**
- **\$100 will purchase 2 baby monitor sets**

On behalf of the Daughters of Charity and the new mothers whom we serve at the Saint Elizabeth Ann Seton New Life Center, thank you for your support.

May we always be thankful for our gift of life and may we always know the peace and joy that flows from loving service and generosity to those in need.

Sincerely,

Sister William Eileen Dunn, D.C.
